

Roberts Elementary School Trent Trot 5K and 1 Miler 2017 Sponsor Information Form

Saturday, January 28, 2017, Roberts Elementary School will be hosting our 8th Annual 5K and 1 Miler. The race is named in honor of one of our students, Trent McElroy, a fourth grader who lost his battle with cancer in Fall, 2013. All race proceeds benefit the Trent's Touch Foundation which has been established to fulfill Trent's wish to help people by giving to local families facing childhood cancer. It was Trent's desire to pay it forward to support children who are enduring what he did.

The 2016 race remains as one of the five largest in Tallahassee thus far this year with over 1100 registrants. Proceeds from this year have already helped twenty-one local families. These families remarked that the monetary support did everything from putting food in the refrigerator to buying new tires for weekly hospital trips – a welcomed financial relief.

We are offering you the opportunity to sponsor this event. There are different levels of tax-deductible sponsorship that are described below.

Thank you,
Team Trent
