

Roberts Elementary School is proud to host the 11th Annual 2020 Trent Trot now named **THE TRENT 10K 5K and 1M** in honor of Trent McElroy; a Roberts 4th grader who lost his battle to childhood cancer in 2013.

It was Trent's greatest wish to support children who are valiantly fighting the same battle he fought. Treatment for childhood cancer and related expenses cost \$1 billion in the US in 2009 alone. These families are vulnerable to financial stress related to unplanned hospitalizations, out of pocket expenses and changes in parental employment. With growing health care costs, resources to help ease the financial burden are limited.

To honor Trent's legacy, Roberts hosts this race each year. All proceeds go to the Trent's Touch Foundation in order to support local families battling pediatric cancer. **TO DATE, WE HAVE SUPPORTED 42+ LOCAL FAMILIES.**

Partner with us to support these little heroes by:
